2. Identification

2.1. Euro Support Centre for Trafficking and Exploitation

Establishment of a centre tasked with identifying victims of trafficking, e.g. by developing standards for identification and guidelines for victim support. The proposed initiative includes a website to be used by NGOs, social workers, etc.

The centre should be seen as part of the New European Agency for Fundamental Rights in Vienna.

The proposed initiative is inspired by a EUROPOL proposal.

2.2 Including identification and social support of victims of human trafficking on the EU social agenda

The proposed initiative is to ensure that we use the Open Method of Coordination to combat poverty and social marginalisation.
