PART II PROMOTION OF WELFARE OF CHILDREN

Functions of health boards.

3.—(1) It shall be a function of every health board to promote the welfare of children in its area who are not receiving adequate care and protection.

(2) In the performance of this function, a health board shall—

(a) take such steps as it considers requisite to identify children who are not receiving adequate care and protection and co-ordinate information from all relevant sources relating to children in its area;

(b) having regard to the rights and duties of parents, whether under the Constitution or otherwise—

(i) regard the welfare of the child as the first and paramount consideration, and

(ii) in so far as is practicable, give due consideration, having regard to his age and understanding, to the wishes of the child; and

(c) have regard to the principle that it is generally in the best interests of a child to be brought up in his own family.

(3) A health board shall, in addition to any other function assigned to it under this Act or any other enactment, provide child care and family support services, and may provide and maintain premises and make such other provision as it considers necessary or desirable for such purposes, subject to any general directions given by the Minister under *section 69*.

(4) The provisions of the Health Acts, 1947 to 1986, and the Health (Amendment) Act, 1987, shall apply in relation to the functions of health boards and their officers under this Act and the powers of the Minister under those Acts shall have effect accordingly as if those Acts and this Act were one Act.

Voluntary car. **4.**—(1) Where it appears to a health board that a child who resides or is found in its area requires care or protection that he is unlikely to receive unless he is taken into its care, it shall be the duty of the health board to take him into its care under this section.

(2) Without prejudice to the provisions of *Parts III, IV and V*, nothing in this section shall authorise a health board to take a child into its care against the wishes of a parent having custody of him or of any person acting in *loco parentis* or to maintain him in its care under this section if that parent or any such person wishes to resume care of him.

(3) Where a health board has taken a child into its care under this section, it shall be the duty of the board—

(a) subject to the provisions of this section, to maintain the child in its care so long as his welfare appears to the board to require it and while he remains a child, and

(b) to have regard to the wishes of a parent having custody of him or of any person acting in *loco parentis* in the provision of such care.

(4) Without prejudice to the provisions of *Parts III, IV and VI*, where a health board takes a child into its care because it appears that he is lost or that a parent having custody of him is missing or that he has been deserted or abandoned, the board shall endeavour to reunite him with that parent where this appears to the board to be in his best interests.

Accommodation for homeless children.

5. — Where it appears to a health board that a child in its area is homeless, the board shall enquire into the child's circumstances, and if the board is satisfied that there is no accommodation available to him which he can reasonably occupy, then, unless the child is received into the care of the board under the provisions of this Act, the board shall take such steps as are reasonable to make available suitable accommodation for him.

Provision of adoption service.

6. —(1) Each health board shall provide or ensure the provision in its area of a service for the adoption of children in accordance with the Adoption Acts, 1952 to 1988.

(2) For the purposes of this section, a health board may enter into arrangements with any adoption society for the time being registered in the Adoption Societies Register maintained by An Bord Uchtála under Part IV of the Adoption Act, 1952 .

(3) A health board may take a child into its care with a view to his adoption and may maintain him in such care in accordance with the provisions of this Act until he is placed for adoption.

(4) Without prejudice to *Parts III, IV and VI*, nothing in this section shall authorise a health board to take a child into its care against the wishes of a parent having custody of him or of any person acting in *loco parentis* or to maintain him in its care under this section if that parent or any such person wishes to resume care of him.

(5) The provisions of *section 10* shall apply with any necessary modifications in relation to any arrangement made under *subsection (2)*.

Child care advisory committees.

7. —(1) A health board shall establish a child care advisory

committee to advise the health board on the performance of its functions under this Act and the health board shall consider and have regard to any advice so tendered to it.

(2) A child care advisory committee shall be composed of persons with a special interest or expertise in matters affecting the welfare of children, including representatives of voluntary bodies providing child care and family support services.

(3) A person shall not receive any remuneration for acting as a member of a child care advisory committee, but a health board may make payments to any such member in respect of travelling and subsistence expenses incurred by him in relation to the business of the committee.

(4) Payments under this section shall be in accordance with a scale determined by the Minister, with the consent of the Minister for Finance.

(5) The Minister shall give general directions in relation to child care advisory committees which may include directions on any matter relating to the membership, constitution or business of committees (including a provision empowering a committee to co-opt one or more members) and each health board and child care advisory committee shall comply with any such directions.

(6) A health board may, with the consent of the Minister, and shall, if so directed by the Minister, establish more than one child care advisory committee for its area and where more than one committee is established the provisions of subsection (1) shall apply with the necessary modifications.

(7) Each child care advisory committee shall—

(a) have access to non-personal information in relation to child care and family support services in its area,

(b) consult with voluntary bodies providing child care and family support services in its area,

(c) report on child care and family support services in its area, either on its own initiative or when so requested by the health board,

(d) review the needs of children in its area who are not receiving adequate care and protection, and where more than one child care advisory committee is established in a health board area, the provisions of this subsection shall apply with the necessary modifications.

Review of services. **8.**—(1) A health board shall, within 12 months of the commencement of this Part and annually thereafter, have a report prepared on the adequacy of the child care and family support services available in its area.

(2) Without prejudice to the generality of *subsection (1)*, a

health board in preparing a report under this section shall have regard to the needs of children who are not receiving adequate care and protection and, in particular—

- (a) children whose parents are dead or missing,
- (b) children whose parents have deserted or abandoned them,
- (c) children who are in the care of the board,
- (d) children who are homeless,
- (e) children who are at risk of being neglected or ill-treated, and
- (f) children whose parents are unable to care for them due to ill-health or for any other reason.

(3) A health board shall give notice of the preparation of a report under *subsection (1)* to—

- (a) any child care advisory committee in its area;
- (b) such bodies as the board sees fit whose purposes include the provision of child care and family support services;

and shall have regard to any views or information furnished by such committee or bodies in the preparation of the report.

(4) A health board shall submit a copy of any report prepared under this section to the Minister and may make copies of any such report available to such bodies as are mentioned in *subsection (3) (b)*.

Provision of services by voluntary bodies and other persons.

9.—(1) A health board may, subject to any general directions given by the Minister and on such terms or conditions as it sees fit, make arrangements with voluntary bodies or other persons for the provision by those bodies or other persons on behalf of the health board of child care and family support services which the board is empowered to provide under this Act.

(2) Nothing in this section shall empower a health board to delegate to a voluntary body or any other person the duty conferred on it under section 4 to receive certain children into care or the power to apply for an order under *Part III, IV or VI*.

Assistance for voluntary bodies and other persons.

10.—A health board may, subject to any general directions given by the Minister and on such terms or conditions as it thinks fit, assist a voluntary body or any other person who provides or proposes to provide a child care or family support service similar or ancillary to a service which the health

board may provide under this Act—

(*a*) by a periodic contribution to funds of the body or person;

(*b*) by a grant;

(*c*) by a contribution in kind (whether by way of materials or labour or any other service).

Research. **11.** —(1) The Minister may conduct or assist other persons in conducting research into any matter connected with the care and protection of children or the provision of child care and family support services.

(2) A health board may conduct or assist other persons in conducting research into any matter connected with the functions assigned to the board under this Act.

PART III PROTECTION OF CHILDREN IN EMERGENCIES

Power of Garda

Síochána to take a child to safety.

12. —(1) Where a member of the Garda Síochána has reasonable grounds for believing that—

(*a*) there is an immediate and serious risk to the health or welfare of a child, and

(*b*) it would not be sufficient for the protection of the child from such immediate and serious risk to await the making of an application for an emergency care order by a health board under *section 13*,

the member, accompanied by such other persons as may be necessary, may, without warrant, enter (if need be by force) any house or other place (including any building or part of a building, tent, caravan or other temporary or moveable structure, vehicle, vessel, aircraft or hovercraft) and remove the child to safety.

(2) The provisions of *subsection (1)* are without prejudice to any other powers exercisable by a member of the Garda Síochána.

(3) Where a child is removed by a member of the Garda Síochána in accordance with *subsection (1)*, the child shall as soon as possible be delivered up to the custody of the health board for the area in which the child is for the time being.

(4) Where a child is delivered up to the custody of a health board in accordance with *subsection (3)*, the health board shall, unless it returns the child to the parent having custody of him or a person acting in *loco parentis*, make application for an emergency care order at the next sitting of the District Court held in the same district court district or, in the event that the next such sitting is not due to be held within three days of the date on which the child is delivered up to the

custody of the health board, at a sitting of the District Court, which has been specially arranged under *section 13 (4)*, held within the said three days, and it shall be lawful for the health board to retain custody of the child pending the hearing of that application.

Emergency care order. **13.** —(1) If a justice of the District Court is of opinion on the application of a health board that there is reasonable cause to believe that—

(a) there is an immediate and serious risk to the health or welfare of a child which necessitates his being placed in the care of a health board, or

(b) there is likely to be such a risk if the child is removed from the place where he is for the time being,

the justice may make an order to be known and in this Act referred to as an "emergency care order".

(2) An emergency care order shall place the child under the care of the health board for the area in which the child is for the time being for a period of eight days or such shorter period as may be specified in the order.

(3) Where a justice makes an emergency care order, he may for the purpose of executing that order issue a warrant authorising a member of the Garda Síochána, accompanied by such other members of the Garda Síochána or such other persons as may be necessary, to enter (if need be by force) any house or other place specified in the warrant (including any building or part of a building, tent, caravan or other temporary or moveable structure, vehicle, vessel, aircraft or hovercraft) where the child is or where there are reasonable grounds for believing that he is and to deliver the child into the custody of the health board.

(4) The following provisions shall have effect in relation to the making of emergency care orders—

(a) any such order shall, subject to *paragraph (b)*, be made by the justice for the district in which the child resides or is for the time being;

(b) where a justice for the district in which the child resides or is for the time being is not immediately available, an order may be made by any justice of the District Court;

(c) an application for any such order may, if the justice is satisfied that the urgency of the matter so requires, be made *ex parte*;

(d) an application for any such order may, if the justice is satisfied that the urgency of the matter so requires, be heard and an order made thereon elsewhere than at a public sitting of the

District Court.

(5) An appeal from an emergency care order shall not stay the operation of the order.

(6) It shall not be necessary in any application or order under this section to name the child if such name is unknown.

(7) (a) Where a justice makes an emergency care order, he may, of his own motion or on the application of any person, give such directions (if any) as he thinks proper with respect to—

(i) whether the address or location of the place at which the child is being kept is to be withheld from the parents of the child, or either of them, a person acting in *loco parentis* or any other person;

(ii) the access, if any, which is to be permitted between the child and any named person and the conditions under which the access is to take place;

(iii) the medical or psychiatric examination, treatment or assessment of the child.

(b) A direction under this subsection may be given at any time during the currency of the order and may be varied or discharged on the application of any person.

Notification to be given by health board.

14.—(1) Where a child is delivered up to, or placed in the custody of, a health board under this Part, the board shall as soon as possible inform or cause to be informed a parent having custody of him or a person acting in *loco parentis* of that delivery or placement unless that parent or person is missing and cannot be found.

(2) For the purposes of this section, a person shall be deemed to have been informed of the placing of a child in the custody of a health board under *section 13* if he is given or shown a copy of the emergency care order made under that section or if that person was present at the sitting of the court at which such order was made.

Provision of accommodation for purposes of *Part III*.

15.—A health board shall provide or make arrangements with the registered proprietors of children's residential centres or with other suitable persons for the provision of suitable accommodation for the purposes of this Part.

PART IV CARE PROCEEDINGS

Duty of health board to institute proceedings.

16.—Where it appears to a health board with respect to a

child who resides or is found in its area that he requires care or protection which he is unlikely to receive unless a court makes a care order or a supervision order in respect of him, it shall be the duty of the health board to make application for a care order or a supervision order, as it thinks fit.

Interim care order. **17.** —(1) Where a justice of the District Court is satisfied on the application of a health board that—

(a) an application for a care order in respect of the child has been or is about to be made

(whether or not an emergency care order is in force), and

(b) there is reasonable cause to believe that any of the circumstances mentioned at *paragraph*

(a), (b) or (c) of *section 18 (1)* exists or has existed with respect to the child and that it is necessary for the protection of the child's health or welfare that he be placed or maintained in the care of the health board pending the determination of the application for the care order,

the justice may make an order to be known and in this Act referred to as an "interim care order".

(2) An interim care order shall require that the child named in the order be placed or maintained in the care of the health board—

(a) for a period not exceeding eight days, or

(b) where the health board and the parent having custody of the child or person acting in *loco parentis* consent, for a period exceeding eight days,

and an extension or extensions of any such period may be granted (with the consent, where an extension is to exceed eight days, of the persons specified in *paragraph (b)*) on the application of any of the parties if the justice is satisfied that grounds for the making of an interim care order continue to exist with respect to the child.

(3) An application for an interim care order or for an extension of such an order shall be made on notice to a parent having custody of the child or to a person acting in *loco parentis* except where, having regard to the interests of justice or the welfare of the child, the justice otherwise directs.

(4) Where an interim care order is made, the justice may order that any directions given under *subsection (7) of section 13* may remain in force subject to such variations, if any, as he may see fit to make or the justice may give directions in relation to any of the matters mentioned in the said subsection and the provisions of that section shall apply with any

necessary modifications.

Care order. **18.** —(1) Where, on the application of a health board with respect to a child who resides or is found in its area, the court is satisfied that—

(a) the child has been or is being assaulted, illtreated, neglected or sexually abused, or

(b) the child's health, development or welfare has been or is being avoidably impaired or neglected, or

(c) the child's health, development or welfare is likely to be avoidably impaired or neglected, and that the child requires care or protection which he is unlikely to receive unless the court makes an order under this section, the court may make an order (in this Act referred to as a "care order") in respect of the child.

(2) A care order shall commit the child to the care of the health board for so long as he remains a child or for such shorter period as the court may determine and, in such case, the court may, of its own motion or on the application of any person, extend the operation of the order if the court is satisfied that grounds for the making of a care order continue to exist with respect to the child.

(3) Where a care order is in force, the health board shall—

(a) have the like control over the child as if it were his parent; and

(b) do what is reasonable (subject to the provisions of this Act) in all the circumstances of the case for the purpose of safeguarding or promoting the child's health, development or welfare;

and shall have, in particular, the authority to—

(i) decide the type of care to be provided for the child under *section 36*;

(ii) give consent to any necessary medical or psychiatric examination, treatment or assessment with respect to the child; and

(iii) give consent to the issue of a passport to the child, or to the provision of passport facilities for him, to enable him to travel abroad for a limited period.

(4) Any consent given by a health board in accordance with this section shall be sufficient authority for the carrying out of a medical or psychiatric examination or assessment, the provision of medical or psychiatric treatment, the issue of a passport or the provision of passport facilities, as the case may be.

(5) Where, on an application for a care order, the court is satisfied that—

(a) it is not necessary or appropriate that a care order be made, and

(b) it is desirable that the child be visited periodically in his home by or on behalf of the health board,

the court may make a supervision order under *section 19*.

(6) Between the making of an application for a care order and its determination, the court, of its own motion or on the application of any person, may give such directions as it sees fit as to the care and custody of, or may make a supervision order in respect of, the child who is the subject of the application pending such determination, and any such direction or supervision order shall cease to have effect on the determination of the application.

(7) Where a court makes a care order, it may in addition make an order requiring the parents of the child or either of them to contribute to the health board such weekly or other periodic sum towards the cost of maintaining the child as the court, having regard to the means of the parents or either of them, thinks fit.

(8) An order under *subsection (7)* may be varied or discharged on application to the court by the parent required to contribute or by the health board.

Supervision order. **19.** —(1) Where, on the application of a health board, with respect to a child who resides in its area, the court is satisfied that there are reasonable grounds for believing that—

(a) the child has been or is being assaulted, illtreated, neglected or sexually abused, or

(b) the child's health, development or welfare has been or is being avoidably impaired or neglected, or

(c) the child's health, development or welfare is likely to be avoidably impaired or neglected, and it is desirable that the child be visited periodically by or on behalf of the health board, the court may make an order (in this Act referred to as a "supervision order") in respect of the child.

(2) A supervision order shall authorise the health board to have the child visited on such periodic occasions as the board may consider necessary in order to satisfy itself as to the welfare of the child and to give to his parents or to a person acting in *loco parentis* any necessary advice as to the care of the child.

(3) Any parent or person acting in *loco parentis* who is dissatisfied with the manner in which a health board is exercising its authority to have a child visited in accordance with this section may apply to the court and the court may give such directions as it sees fit as to the manner in which

the child is to be visited and the health board shall comply with any such direction.

(4) Where a court makes a supervision order in respect of a child, it may, on the application of the health board, either at the time of the making of the order or at any time during the currency of the order, give such directions as it sees fit as to the care of the child, which may require the parents of the child or a person acting in *loco parentis* to cause him to attend for medical or psychiatric examination, treatment or assessment at a hospital, clinic or other place specified by the court.

(5) Any person who fails to comply with the terms of a supervision order or any directions given by a court under *subsection (4)* or who prevents a person from visiting a child on behalf of the health board or who obstructs or impedes any such person visiting a child in pursuance of such an order shall be guilty of an offence and shall be liable on summary conviction to a fine not exceeding £500 or, at the discretion of the court, to imprisonment for a term not exceeding 6 months or both such fine and such imprisonment.

(6) A supervision order shall remain in force for a period of 12 months or such shorter period as may be specified in the order and, in any event, shall cease to have effect when the person in respect of whom the order is made ceases to be a child.

(7) On or before the expiration of a supervision order, a further supervision order may be made on the application of the health board with effect from the expiration of the first mentioned order.

Proceedings under
Guardianship of Infants
Act, 1964 , Judicial
Separation and Family
Law Reform Act, 1989 ,
etc.

20. —(1) Where, in any proceedings under section 7, 8 or 11 or Part III of the Guardianship of Infants Act, 1964 , or in any case to which section 3 (3), 11 (b) or 16 (g) of the Judicial Separation and Family Law Reform Act, 1989 , relates, or in any other proceedings for the delivery or return of a child, it appears to the court that it may be appropriate for a care order or a supervision order to be made with respect to the child concerned in the proceedings, the court may, of its own motion or on the application of any person, adjourn the proceedings and direct the health board for the area in which the child resides or is for the time being to undertake an investigation of the child's circumstances.

(2) Where proceedings are adjourned and the court gives a direction under *subsection (1)*, the court may give such

directions as it sees fit as to the care and custody of, or may make a supervision order in respect of, the child concerned pending the outcome of the investigation by the health board.

(3) Where the court gives a direction under *subsection (1)*, the health board concerned shall undertake an investigation of the child's circumstances and shall consider whether it should—

(*a*) apply for a care order or for a supervision order with respect to the child,

(*b*) provide services or assistance for the child or his family, or

(*c*) take any other action with respect to the child.

(4) Where a health board undertakes an investigation under this section and decides not to apply for a care order or a supervision order with respect to the child concerned, it shall inform the court of—

(*a*) its reasons for so deciding,

(*b*) any service or assistance it has provided, or it intends to provide, for the child and his family, and

(*c*) any other action which it has taken, or proposes to take, with respect to the child.

Effect of appeal from orders.

21. —An appeal from an order under this Part shall, if the court that made the order or the court to which the appeal is brought so determines (but not otherwise), stay the operation of the order on such terms (if any) as may be imposed by the court making the determination.

Variation or discharge of orders etc.

22. —The court, of its own motion or on the application of any person, may—

(*a*) vary or discharge a care order or a supervision order,

(*b*) vary or discharge any condition or direction attaching to the order, or

(*c*) in the case of a care order, discharge the care order and make a supervision order in respect of the child.

Powers of court in case of invalidity of orders.

23. —Where a court finds or declares in any proceedings that a care order for whatever reason is invalid, that court may of its own motion or on the application of any person refuse to exercise any power to order the delivery or return of the child to a parent or any other person if the court is of opinion that such delivery or return would not be in the best interests of the child and in any such case the court, of its own motion or

on the application of any person, may—

(a) make a care order as if it were a court to which an application had been made by a health board under *section 18*,

(b) make an order remitting the matter to a justice of the District Court for the time being assigned to the district court district where the child resides or is for the time being or was residing or was at the time that the invalid order was made or the application therefor was made; and where the matter has been so remitted the health board shall be deemed to have made an application under *section 18*,

(c) direct that any order under *paragraph (a)* shall, if necessary, be deemed for the purposes of this Act to have been made by a justice of the District Court for the time being assigned to a district court district, specified by the court, or

(d) where it makes an order under *paragraph (b)*, make a temporary order under *paragraph (a)* pending the making of an order by the court to which the matter or question has been remitted.

PART V JURISDICTION AND PROCEDURE

Welfare of child to be paramount.

24. —In any proceedings before a court under this Act in relation to the care and protection of a child, the court, having regard to the rights and duties of parents, whether under the Constitution or otherwise, shall—

(a) regard the welfare of the child as the first and paramount consideration, and

(b) in so far as is practicable, give due consideration, having regard to his age and understanding, to the wishes of the child.

Power of court to join child as a party and costs of child as a party.

25. —(1) If in any proceedings under *Part IV* or *VI* the child to whom the proceedings relate is not already a party, the court may, where it is satisfied having regard to the age, understanding and wishes of the child and the circumstances of the case that it is necessary in the interests of the child and in the interests of justice to do so, order that the child be joined as a party to, or shall have such of the rights of a party as may be specified by the court in, either the entirety of the proceedings or such issues in the proceedings as the court may direct. The making of any such order shall not require the intervention of a next friend in respect of the child.

(2) Where the court makes an order under *subsection (1)* or a

child is a party to the proceedings otherwise than by reason of such an order, the court may, if it thinks fit, appoint a solicitor to represent the child in the proceedings and give directions as to the performance of his duties (which may include, if necessary, directions in relation to the instruction of counsel).

(3) The making of an order under *subsection (1)* or the fact that a child is a party to the proceedings otherwise than by reason of such an order shall not prejudice the power of the court under *section 30 (2)* to refuse to accede to a request of a child made thereunder.

(4) Where a solicitor is appointed under *subsection (2)*, the costs and expenses incurred on behalf of a child exercising any rights of a party in any proceedings under this Act shall be paid by the health board concerned. The health board may apply to the court to have the amount of any such costs or expenses measured or taxed.

(5) The court which has made an order under *subsection (2)* may, on the application to it of a health board, order any other party to the proceedings in question to pay to the board any costs or expenses payable by that board under *subsection (4)*.

Appointment of
guardian *ad litem* for a
child.

26. —(1) If in any proceedings under *Part IV* or *VI* the child to whom the proceedings relate is not a party, the court may, if it is satisfied that it is necessary in the interests of the child and in the interests of justice to do so, appoint a guardian *ad litem* for the child.

(2) Any costs incurred by a person in acting as a guardian *ad litem* under this section shall be paid by the health board concerned. The health board may apply to the court to have the amount of any such costs or expenses measured or taxed.

(3) The court which has made an order under *subsection (1)* may, on the application to it of a health board, order any other party to the proceedings in question to pay to the board any costs or expenses payable by that board under *subsection (2)*.

(4) Where a child in respect of whom an order has been made under *subsection (1)* becomes a party to the proceedings in question (whether by virtue of an order under *section 25 (1)* or otherwise) then that order shall cease to have effect.

Power to procure
reports on children.

27. —(1) In any proceedings under *Part IV* or *VI* the court may, of its own motion or on the application of any party to the proceedings, by an order under this section give such directions as it thinks proper to procure a report from such person as it may nominate on any question affecting the welfare of the child.

(2) In deciding whether or not to request a report under *subsection (1)* the court shall have regard to the wishes of the parties before the court where ascertainable but shall not be bound by the said wishes.

(3) A copy of any report prepared under *subsection (1)* shall be made available to the counsel or solicitor, if any, representing each party in the proceedings or, if any party is not so represented, to that party and may be received in evidence in the proceedings.
